Other aspects of the uniform policy are available in the Student Handbook.  
Reminder that shorts are NOT permitted during the school year starting August 29, 2016 going through June 9, 2017.

For your convenience, we have arranged for you to work with a uniform company who has some very reasonable prices for the uniform components. Zemsky's has a wide range of sizes and payment methods including a layaway plan. Attached is an order form and explanation of the layaway plan. It is not mandatory for you to use Zemsky's for your purchases, but this gives you another option for obtaining uniforms.
