SPECIAL PICK-UP

Dear Parents/Guardians,

As you know, the safety of our students is always foremost in our minds. We are aware that special circumstances sometimes arise that necessitate someone other than the legal guardian or parent to pick a student up at school. Keeping the wellbeing of our students in mind, we have set guidelines designed to enable us to accommodate you under these special circumstances.

GUIDELINES

1. Through your child's social worker, we will make available to you the attached form that will allow you to outline your needs for special pick up. The form must be completed, signed, and returned **in advance** of any special arrangements. **(Hand-written notes will not be sufficient.)**
2. The parent/guardian must provide a valid phone number of the person picking up the student.
3. Any adult designated to pick up a student will be required to show a picture ID, or if driving a valid driver's license and must be 21 yrs. or older; and formally sign the student out.
4. We will not be able to release a student to older siblings under 21 yrs. old.

It is our hope that this system will allow us to accommodate you when you have transportation difficulties. Please keep in mind that we will not release students to anyone other than parent or guardian unless these criteria have been met.
